Deaths due to Cancer

2130. DR. MOHD. HASHIM KIDWAI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the number of deaths on account of cancer in the country during the last three years state-wise;

(b) whether it is a fact that the number of cancer patients is on the increase;

(c) if so, the number of such patients during the last 3 years; and

(d) the action taken by Government to control the disease?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (KUMARI SAROJ KHAPARDE): (a) Number of deaths recorded in specialised cancer hospitals during the years 1985, 1986 & 1987 is given in the Statement attached. (*See* below).

(b) and (c) The data from the Population based Cancer Registries of National Cancer Registry Project does not show any major change in the incidence of cancer from 1982 to 1985. It is estimated that there are about 15—20 lakhs cancer patients in the country at any given time and about 5 lakhs new cases occur every year.

(d) Facilities for treatment of cancer patients including Radiotherapy are available in 95 institutions in the country. Chemotherapy facilities are generally available in all major hospitals. There are 74 Medical Colleges with Pap Smearing Units under the Post Partum Programme with cancer detection facilities. 16 more Medical colleges have been approved during the year 1988-89 for setting up of this facility. Early Cancer Detection Centres have been set up in 30 institutions.
